

Call for Applications

TDK – Autumn Semester 2026

The TDK Conference of the 2026 autumn semester will be held on **25 November 2026, starting at 1:00 p.m.**

The final application deadline is midnight on 9 November 2026.

To participate in the conference, students are required to prepare a **minimum 25-page thesis** with the support of a supervisor of their choice. The formal requirements are available on the university website. **Multiple authors may contribute to a thesis.**

Students whose theses do not comply with the requirements **may be excluded from the conference** and will not be allowed to present their work during the current semester.

A publication containing the names of the presenters, the titles of their theses, and the abstracts will be prepared.

Theses must be submitted electronically to the supervisors by 18 November 2026.

The supervisors are responsible for forwarding the theses to the reviewers. The **review and the thesis must then be submitted to the TDK coordinators no later than 12:00 noon on 24 November 2026.** Based on these documents, the coordinators will prepare the scoring sheets, which will be provided to the jury on the day of the conference.
