## RECTOR'S INSTRUCTION

nr. 4/2021

about the mandatory mask usage and the procedure for failure to use it during the health crisis

Document holders: the leaders of the organizational units

As an extension of the Rector's instruction nr. 3/2021 regarding the requirements of personal hygiene titled „Institutional procedures for epidemiological preparedness for the control of the coronavirus and its spread” coming into force on 11 October 2021 the Rector specifies and at the same time orders the instruction as follows:

- in all buildings on the territory of the University of Dunaújváros in all closed spaces the usage of a mask covering the mouth and the nose is mandatory for everybody – including the students.
- lecturers during education can only avoid using a mask if they have a Hungarian Immunity Certificate and keeping a 1,5 meters of distance from the students is assured
- the university's employees can avoid using a mask in their own office (even with the presence of other employees of the office) in case if they have an Immunity Certificate
- a condition of entering to a non-educational activity (event) organized for the students is having an Immunity Certificate
- a condition of participating all other – even internal or external – events for people over 18 years of age is having a valid Immunity Certificate. The participation of people below 18 years of age is not linked to having an Immunity Certificate
- on the territory of the Student Hostel the usage of a mask is mandatory for everybody except for those students who are staying in their own rooms

The leaders of the different organizational units are responsible for the compliance of the rules regarding the usage of the mask.

This instruction is valid from 13 October 2021 until revoked.

Dunaújváros, 12 October 2021

  
Dr. István András  
Rector
